Order # _____

ACCEPTANCE OF RISK

Dear Customer,

You have requested us to ship your order on Friday _____ via UPS / FedEx with a scheduled delivery of Saturday _____. In the event of inclement weather or any UPS / FedEx related delay, which delays delivery until Monday _____, you must agree to accept all risks and costs for damage to the perishable products. Mercedes Scientific will not accept any responsibility for delayed shipment and damaged products.

Mercedes Scientific usually ships perishable cold products Monday-Thursday, therefore, any Friday shipment has an inherent risk of Monday delivery in the event of a delay because of the weekend.

ACKNOWLEDGEMENT

I have read the above warning and agree to accept all risks and costs for damaged perishable products resulting from any delay of delivery. I agree that Mercedes Scientific is not responsible for any damage or delay. Furthermore, I certify that I have the authority to sign this acknowledgement on behalf of my company, facility, or institution.
